

## **Sample Rating Scale - Uses of Scanning**

### **Level 1**

Assignment is incomplete or done incorrectly.

### **Level 2**

URLs and site names are provided for each of the three listed uses of scanning, and a fourth possible use is provided. The search took longer than it took the majority of students.

### **Level 3**

URLs and site names provide clear examples of the three listed uses of scanning. A fourth use is also provided, with an example URL and site name. The search was conducted efficiently and in a timely manner.
